BORDERTOWN

VINEYARDS & ESTATE WINERY

GRÜNER VELTLINER 2016

Gruner Veltliner is Austria's gift to the wine world. Bordertown is one of its few producers in the Okanagan, and even then, our plantings are very limited, so this is a rare treat indeed. Our Gruner blends aromas of pineapple and honey with a tinge of minerality, followed by flavours of white peach and apricot. It has a balanced acidity that is perfectly harmonious with the delicate fruit.
