MALBEC 2021

Once only a small component grape for Bordeaux blends, Malbec has transformed itself into a hugely popular single grape varietal red wine. Our family vineyards are now host to this grape, which shows off its intense ripe red fruits, black raspberry, and hints of mulled spices. At the same time, it has a supple, velvety texture and wonderfully integrated tannins. This robust juicy red is a great wine for BBQ!

John Schreiner – 91 Points
“The fruit for this wine was grown in a vineyard on the East Bench Osoyoos. After fermentation, the wine was aged 12 to 18 months in French oak. This is a dark wine with perfumed aromas of cherry and blackberry. The palate delivers flavours of plum and other dark fruits mingled with leather and a hint of pepper.”
