

BORDERTOWN

VINEYARDS & ESTATE WINERY

PINOT GRIS 2023

The Pinot Gris 2023 vintage contains a majority of grapes from Bordertown's Osoyoos vineyards blended with a reduced yield from its West Kelowna site. This takes advantage of the best qualities from both sites. The West Kelowna fruit contributes a crisp zesty structure that backs the Osoyoos tropical fruit style, with magical results. It shows structure and backbone in harmony with terrific bright fruit notes.
